

# Keeping you

ON THE RIGHT TRACK

AT YOUR PERSONAL BEST

CONNECTED

# well.

Adventist La Grange Memorial Hospital has a deep tradition of providing high quality outpatient and inpatient primary care, trauma care, imaging and wellness services to the families of the western suburbs and southeastern Cook County. With all private rooms, we place a priority on patient-centered care.

Adventist La Grange Memorial Hospital is committed to bringing the services you need right to your community. That means that there is an Adventist Health Partners' physician conveniently located near your family. Many of the 280 providers in our group offer same day or next day appointments, online scheduling, convenient evening and weekend hours.

Keeping you well is what we do. Find out for yourself. Let's connect.
